If you play golf twice a month	Choose the <b>Credit 24</b> Round Package (excl. Green Fees)	R3 795
If you play golf 3 or 4 times a month	Choose the <b>Principal Membership</b> Package (unlimited rounds, excl. Green Fees)	R6 270
If you play golf once a week and sometimes more	Choose the <b>Credit 60 Round</b> Package (incl. Green Fees) This is calculated as follows: <ul style="list-style-type: none"> <li>• Principal Membership R6270 + 60 Rounds @ R160 per round (25% Discount)</li> <li>• This will give you a saving of R40 per round in green fees</li> <li>• If you run out of rounds, you can buy top up rounds at the same rate</li> </ul>	R15 870
If you play golf more than 80 times a year or twice a week or more	Choose the <b>Principal Unlimited</b> Package	R19 800

If you have no idea how much golf you will be playing, start with a smaller package. You can always upgrade to the next one during the year. Also remember that on all the Credit Round packages, you can share your rounds with friends. More details below.
